Dear Ms Sherzer,

On behalf of the Unstereotype Alliance and UN Women, I would like to invite you as a speaker at the Unstereotype Alliance Annual Global Member Summit, taking place on **5-6 March 2020 at the United Nations Headquarters in New York City**.

The 2-day Annual Global Member Summit, now its 3<sup>rd</sup> edition, is an invitation-only event hosted by the Under-Secretary-General of the United Nations and Executive Director of UN Women, Phumzile Mlambo-Ngcuka. It brings together industry leaders from marketing, advertising, human resources, and diversity & inclusion sectors, who share a common goal towards achieving gender equality, women's empowerment and a commitment for an unstereotyped world. We expect an attendance of about 200 people ranging from C-Suite level executives to senior level professionals from different countries around the world.

Having watched your TED talk - "The Bloody Taboo with the Power to Change the World" and also having read your work on developing solutions that drive positive impact in business, I believe your contribution will be of tremendous value to the discussion about the elimination of harmful stereotypes for a fairer and more equal world.

All sessions will be filmed, and an edit will be shown on our website and other social media channels. [Here](#) is the link to the highlights video of this year's Summit. We will share greater detail as the other program speakers are confirmed.

Kindly let us know by 11 December 2019 whether you would be interested in speaking. You can confirm your participation to Adema Sangale, Global Coordinator of the Unstereotype Alliance, at [adema.sangale@unwomen.org](mailto:adema.sangale@unwomen.org) cc: [unstereotypealliance@unwomen.org](mailto:unstereotypealliance@unwomen.org).

Yours sincerely,
